NEWSLETTER - NOVEMBER 2009

The World's Future is in Your Hands!

Go Green!

Say No to Paper Statements!

In the spirit of protecting the environment:
Reduce, Reuse and Recycle!

The Credit Union is committed to environmental responsibility. Please help us to reduce our paper consumption. If you do not want to receive your paper statement, let us know today!

Reduce

Your Consumption:

- Think twice before buying or using – Do you really need it?

Your Waste:

- Think before printing or photocopying – Use a computer instead.
- Send and store documents electronically.
- Increase margins on documents and print double-sided.

Your Energy Consumption:

- Turn off unused lights, computers, etc.
- Wash clothing in cold water.
- Purchase energy-efficient products.

Reuse

- Envelopes, scrap paper, plastic bags or purchase reusable canvas bags.

Recycle

- Wrap presents in gift bags vs. wrapping paper.
- Participate in local recycling programs: grey bin, blue bin, green bin.
