CUMIS TeleLife has a product to fit your unique needs:

Short to Medium Term Insurance

CUMIS Term 10, Term 20

Affordable, secure protection tailored to suit your short and medium term insurance needs. Term life insurance products offer the flexibility you need to cover any debt obligations and provide your family with income replacement in case of loss of an income earning family member.

Long Term Insurance

CUMIS Term 100, Universal Life

Provides lifetime coverage for final expenses and helps preserve your estate and the assets that you have worked so hard for throughout life. We can tailor a long term insurance plan to fit your budget and financial goals.

Income Protection

Disability, Critical Illness

Coverage designed to protect you, and your financial future, from the unexpected. You and your earning potential are the most important asset to your family's financial strength. Disability and Critical Illness insurance is designed to help maintain your standard of living in a time of a health crisis.
